LEAVE PAPER BEHIND

(CHOOSE PAINLESS SAMPLE SUBMISSION)

Convert to the web-based soil info app and realize the easy, quick, and streamlined life of soil sample submission! Not to mention, the app is free. Transitioning to the electronic format also affords you added perks:

SAVE TIME WITH DATA FLOW:

- Exact field IDs are retained for easy upload into management software
- Printed soil bag labels eliminate writing in-field
- No hand-writing sheets

ORGANIZE, PROTECT, AND REMEMBER DATA:

- After initial saving, data is secured for future use
- User-driven entry - ensuring customized, accurate data

REDUCE ERROR, GAIN RESULTS:

- Typed entry reduces human errors
- Autofill maintains consistency of farm information
- Error reduction means improved recommendations

Shift to the soil info app! Scan the QR code to get started.
